

ngena is a global alliance of service providers that will provide international telecommunication network services for corporate customers. ngena stands for “Next Generation Enterprise Network Alliance” and enables its partners to share their telco networks and offer services on a global basis. ngena GmbH is an independent company that is funded by leading global telco companies such as Deutsche Telekom AG.

(Junior) IT Architect (m/f)

Have you always dreamed of working for an international startup company? Then take this next step into the future and join us as our new colleague as (Junior) IT Architect (m/f) (full-time) in Frankfurt am Main, Germany.

Your responsibilities

- Analysis and steering of implementation/ improvement of interfaces to our Business Support Systems BSS and Operations Support Systems
- Data model development / maintenance of resource data
- Preparation of business data and loading
- Managing demands for technology driven improvements (requirements management)
- Steering of implementation of IT interfaces, portals, reports to our management and international partners
- Development path to IT Architect in portal, workflow, system management, commercial solution

Your profile

- Successfully completed university degree in business informatics, computer science or similar
- About 3 years of experience with IT architecture development of web portal/ interfaces or data modelling
- Telco wholesale background appreciated
- Familiarity with ITIL, eTOM, TOGAF is a plus
- Willingness to work in a multicultural, multi-language, and multinational environment
- Startup, entrepreneurial thinking, hands on attitude
- Familiar with agile and DevOps based developments
- Fluent in English language is a must, German and Polish an advantage

Your chance

A dynamic, international and cooperative business environment awaits you. In your field of activity, responsibility will be in your own hands from the very beginning and you will be able to actively contribute to the future development of ngena.

We offer challenging tasks with room for creativity and development opportunities within the startup, a highly motivated international team, an open corporate culture of flat hierarchies and a state-of-the-art workplace.

We are looking forward to getting to know you!

If you are interested in this challenge, please send us your complete application including salary expectations and possible starting date via email to myfuture@ngena.net
