

ngena is a global alliance of service providers that will provide international telecommunication network services for corporate customers. ngena stands for “Next Generation Enterprise Network Alliance” and enables its partners to share their telco networks and offer services on a global basis. ngena GmbH is an independent company that is funded by leading global telco companies such as Deutsche Telekom AG.

Junior Legal Counsel (m/f)

Have you always dreamed of working for an international start-up company? Then take this next step into the future and join us as our new colleague as Junior Legal Counsel (full-time) in Frankfurt am Main, Germany.

Your responsibilities

- Drafting, negotiating and steering contracts with alliance partners and other business partners of ngena with the focus on general commercial, telecommunications, IT and data protection issues
- Reviewing regulatory requirements applicable to ngena’s business, in particular telecommunication licensing requirements
- Drafting, implementing and updating general terms and policies for company’s websites and services
- Drafting, implementing and updating internal company policies, in particular, in the areas of compliance and data protection
- Keeping up to date on relevant legal developments that might impact ngena’s business and reflecting these developments in contracts, terms, policies and processes
- Providing general legal advice in all areas of company’s business
- Administration of contracts in terms of documentation, filing and archiving

Your profile

- Just successfully completed the second German state exams (“Volljurist”)
- Ideally first professional experience
- Very good knowledge of civil law; understanding of data protection requirements is a plus
- Interest in telecommunications and IT issues
- Fluency in English is a must in our international environment
- Strong verbalization skills, solution-oriented approach and analytical way of thinking
- Professional and confident appearance and assertiveness
- Proactive attitude and ability to work independently in a young company with agile structures and processes
- Aptitude to work in a multicultural and multi-language environment

Your chance

A dynamic, international and cooperative business environment awaits you. In your field of activity, responsibility will be in your own hands from the very beginning and you will be able to actively contribute to the future development of ngena.

We offer challenging tasks with room for creativity and development opportunities within the startup, a highly motivated international team, an open corporate culture of flat hierarchies and a state-of-the-art workplace.

We are looking forward to getting to know you!

If you are interested in this challenge, please send us your complete application including salary expectations and possible starting date via email to myfuture@ngena.net
