

ngena is a global alliance of service providers that will provide international telecommunication network services for corporate customers. ngena stands for “Next Generation Enterprise Network Alliance” and enables its partners to share their telco networks and offer services on a global basis. ngena GmbH is an independent company that is be funded by leading global telco companies such as Deutsche Telekom AG.

Project Manager / Scrum Master (m/f)

Have you always dreamed of working for an international startup company? Then take this next step into the future and join us as our new colleague as Project Manager / Scrum Master (m/f) (full-time) in Frankfurt am Main, Germany.

Your responsibilities

- Coordinating / steering the different work streams of the product backlog within the company according to agile project management methods / Scrum
- Responsible for the Scrum process and application, implementation of agile methods
- Creating, monitoring and tracking the project plan, including organizing and moderating regular Sprint meetings
- Coordination the development of our products & processes with our technology partners – including organization of meetings, workshops (according to our DevOps approach)
- Ensuring internal cross-functional communication, knowledge transfer and documentation
- Coaching the team about Scrum as well as agile values and principles

Your profile

- University degree in information technology, business administration or a comparable relevant qualification
- Excellent knowledge of the Scrum methodology and processes (Scrum certification)
- Several years' work experience in the role of a Scrum Master or in a Scrum team, ideally in a Telco/ IT and startup environment
- Knowledge/ experience with modern network technologies (such as SDN, WAN, VPNs) would be a plus
- Highly solution-oriented, skilled in conflict resolution, empathetic
- Strong communication and moderation skills
- Proactive and being able to work independently; flexibility to act convincingly in an agile company
- Excellent English skills, German would be a plus

Your chance

A dynamic, international and cooperative business environment awaits you. In your field of activity, responsibility will be in your own hands from the very beginning and you will be able to actively contribute to the future development of ngena.

We offer challenging tasks with room for creativity and development opportunities within the startup, a highly motivated international team, an open corporate culture of flat hierarchies and a state-of-the-art workplace.

We are looking forward to getting to know you!

If you are interested in this challenge, please send us your complete application including salary expectations and possible starting date via email to myfuture@ngena.net
