

ngena is a global alliance of service providers that will provide international telecommunication network services for corporate customers. ngena stands for “Next Generation Enterprise Network Alliance” and enables its partners to share their telco networks and offer services on a global basis. ngena GmbH is an independent company that is funded by leading global telco companies such as Deutsche Telekom AG.

Working Student IT (m/f)

Have you ever experienced the excitement of a globally operating start-up company? Come to ngena and take the chance to work in a multinational team in Frankfurt and get an insight into the latest network technology.

Your responsibilities

You will be part of our Product and PreSales team, which is responsible for the whole global product portfolio and presales functions such as initial trainings, customer workshops, solution design and pricing of the customer solution.

Within the team you will be responsible for:

- Development and improvement of tools (mainly based on Microsoft Excel) together with the PreSales team to support ngena’s quotation process
- Operation and maintenance of the developed tools
- Support in maintaining the screen overlay technology of the ngena customer portal to provide on-screen, interactive, step-by-step guidance

Your chance

A dynamic, international and cooperative business environment awaits you. We offer challenging tasks with room for creativity, a highly motivated international team, an open corporate culture of flat hierarchies and a state-of-the-art workplace.

After 12 months of a successful working relationship, you will be offered to join us in a full-time junior role.

We are looking forward to getting to know you!

If you are interested in this challenge, please send us your complete application including your certificate of enrolment via email to myfuture@ngena.net

Your profile

- Currently enrolled in a German university with a major in IT, computer science or similar studies
- Technical affinity and interest in the telco industry
- Knowledge / experience with Microsoft SharePoint, VBA, PowerApps, Database and JavaScript incl. jQuery
- Fluent in English; German would be a plus
- Team player with high motivation and willingness to learn
- Proactive, flexible and hands-on attitude
- Willingness to work with us for 12 months
