

ngena is a global alliance of service providers that will provide international telecommunication network services for corporate customers. ngena stands for “Next Generation Enterprise Network Alliance” and enables its partners to share their telco networks and offer services on a global basis. ngena GmbH is an independent company that is going to be funded by leading global telco companies such as Deutsche Telekom AG.

Senior Product Manager Global Network Services (m/f)

Have you always dreamed of working for a fast-growing international startup company? Then take this next step into the future and join us as Senior Product Manager (m/f) Global Network Services (full-time) in Frankfurt am Main, Germany.

Your responsibilities

- Conception & development of innovative products and services for global corporate customers in global network services and VPNs
- Responsibility for the steering of technical product development and deployment up to the integration into the global product catalogue
- Taking over the product- and lifecycle management tasks for the global portfolio of ngena
- Consolidation of customer requirements of alliance partners and integration into the development roadmap of ngena’s portfolio
- Developing strategy concepts and action plans on short, medium and long-term achievements concerning results, revenues- and turnover targets

Your profile

- Successfully completed university degree in a topic related field or a comparable relevant qualification with extensive professional work experience and an emphasis on global WAN & network services
- Profound knowledge with several years working experience in product management / business development
- Extensive knowledge of the product- and service environment for VPNs & global network services
- Profound technical knowledge & know-how in SDN/NFV architecture, global WAN / SD-WAN services
- Confident and professional behavior and sensitivity towards customer wishes paired with excellent communication and presentation skills
- Proactive and being able to work independently, flexibility to act convincingly in an agile company
- Excellent English skills (spoken and written)

Your chance

A dynamic, international and cooperative business environment awaits you. In your field of activity, responsibility will be in your own hands from the very beginning and you will be able to actively contribute to the future development of ngena.

We offer challenging tasks with room for creativity and development opportunities within the startup, a highly motivated international team, an open corporate culture of flat hierarchies and a state-of-the-art workplace.

We are looking forward to getting to know you!

If you are interested in this challenge, please send us your complete application including salary expectations and possible starting date via email to myfuture@ngena.net
