

ngena stands for “Next Generation Enterprise Network Alliance”. We provide a central cloud platform that merges the local networks of our international telecommunication alliance partners into a single global Software-Defined Wide Area Network (SD-WAN).

## Project Manager / Scrum Master (m/f)

Have you always dreamed of working for an international start-up company? Then take this next step into the future and join us as our new colleague for a full-time position in Frankfurt am Main.

### Your new job

- Coordinating / steering the different work streams of the product backlog within the company according to agile project management methods / Scrum
- Responsible for the Scrum process and application, implementation of agile methods
- Creating, monitoring and tracking the project plan, including organizing and moderating regular Sprint meetings
- Coordinating the development of our products & processes with our technology partners – including organization of meetings, workshops (according to our DevOps approach)
- Ensuring internal cross-functional communication, knowledge transfer and documentation
- Coaching the team about scrum as well as agile values and principles

### Your assets

- You have successfully completed your (Bachelors/ Masters) studies in information technology, business administration or a comparable relevant qualification
- You have proven your knowledge of the Scrum methodology and processes through Scrum certifications
- Several years' work experience in the role of a Scrum Master or in a Scrum team, ideally in a Telco / IT and startup environment
- Knowledge / experience with modern network technologies (such as SDN, WAN, VPNs) would be a plus
- You are highly solution-oriented, skilled in conflict resolution and empathetic
- Strong communication and moderation skills describe your personality best
- Proactive and being able to work independently; flexibility to act convincingly in an agile company
- Communicating fluently in English is no problem for you, and if you know some German - even better!

### Your chance

An exciting, dynamic, international start-up environment awaits you with an open corporate culture of flat hierarchies. At ngena, responsibility will be in your hands from the very beginning. You will continuously grow both on the professional and personal front, amongst a diverse team of more than 15 nationalities, varied age groups and a wide range of skill-sets. This fusion will prepare you for paving the world with ngena's leading SD-WAN technology.

If you are interested in this challenge, please send us your complete application including salary expectations and possible starting date via email to [myfuture@ngena.net](mailto:myfuture@ngena.net)
