

ngena stands for “Next Generation Enterprise Network Alliance”. We provide a central cloud platform that merges the local networks of our international telecommunication alliance partners into a single global Software-Defined Wide Area Network (SD-WAN).

Junior Legal Counsel (m/f/d)

Have you always dreamed of working for an international start-up company? Then take this next step into the future and join us as our new colleague for a full-time position in Frankfurt am Main.

Your new job

- Drafting, negotiating and steering contracts with partners and suppliers of ngena with the focus on general commercial, telecommunications, IT and data protection issues
- Reviewing regulatory requirements applicable to ngena’s business, in particular telecommunication licensing requirements
- Drafting, implementing and updating general terms and policies for company’s websites and services
- Drafting, implementing and updating internal company policies, in particular, in the areas of compliance and data protection
- Keeping up to date on relevant legal developments that might impact ngena’s business and reflecting these developments in contracts, terms, policies and processes
- Providing general legal advice in all areas of company’s business
- General contract management

Your assets

- You have recently completed the second German state exams (“Volljurist”)
- You have a very good understanding of German civil law; knowledge of data protection issues is a plus
- You have strong verbalization skills, solution-oriented approach and analytical way of thinking
- Professional and confident appearance and assertiveness are no problem for you
- Proactive attitude and ability to work independently in a young company with agile structures and processes
- Affinity for latest technology trends especially in telecommunications and/or IT is a plus
- You want to work and flourish in a multicultural team environment
- Communicating fluently in English and German is no problem for you

Your chance

An exciting, dynamic, international start-up environment awaits you with an open corporate culture of flat hierarchies. At ngena, responsibility will be in your hands from the very beginning. You will continuously grow both on the professional and personal front amongst a diverse team of more than 20 nationalities, varied age groups and a wide range of skill-sets. This fusion will prepare you for paving the world with ngena’s leading SD-WAN technology.

If you are interested in this challenge, please send us your complete application including salary expectations and possible starting date via email to myfuture@ngena.net
