

ngena stands for “Next Generation Enterprise Network Alliance”. We provide a central cloud platform that merges the local networks of our international telecommunication alliance partners into a single global Software-Defined Wide Area Network (SD-WAN).

## BSS / OSS Product Catalog & CRM Consultant (m/f/d)

Have you always dreamed of working for an international start-up company? Then take this next step into the future and support us on a project / contractor basis in Frankfurt am Main (DE) or remotely (CET time zone)!

### Your new job

- Configuration and development of a next generation SD-WAN aaS platform based on Comarch and Cisco technology
- Collaborate closely with the product owner and work in an agile team on the implementation and configuration of complex requirements and functionalities in the Comarch BSS / OSS modules: Catalog Product Management (CPM), Customer Relationship Management (CRM) and Fulfillment & Orchestration modules
- Participate in weekly backlog refinement sessions, daily scrum calls, sprint planning sessions, sprint demos and retrospective analysis
- Being involved in the troubleshooting and resolution of platform related issues

### Your assets

- You have successfully completed your university degree in computer science or related fields
- Several years' working experience in IT / software development / software configuration / software consulting
- You possess strong analytical skills and can break down complex requirements into smaller tasks and see them through
- You have worked with Comarch BSS/OSS suite as a developer, consultant or configurator
- CPML (Comarch Product Manipulation Language) experience is seen as a big advantage
- You possess skills in Linux, GIT, JSON, Oracle / SQL, REST APIs, Visual Studio, Robot test automation
- Programming skills such as Java and experience with Jasper reports are a plus
- Previous experience in Agile/Scrum environments will be considered big advantage
- Self-initiative and a hands-on attitude are part of your personality, and you're flexible as well as target-driven
- You want to work and flourish in a multicultural environment
- Communicating fluently in English is no problem for you, Polish will be an advantage

### Your chance

An exciting, dynamic, international start-up environment awaits you with an open corporate culture of flat hierarchies. At ngena, responsibility will be in your hands from the very beginning. You will continuously grow both on the professional and personal front amongst a diverse team of more than 30 nationalities, varied age groups and a wide range of skill-sets. This fusion will prepare you for paving the world with ngena's leading SD-WAN technology.
