VORLÄUFIGER INSOLVENZVERWALTER

To whom it may concern

**Preliminary insolvency proceedings of NGENA GmbH,
Hahnstraße 40, 60528 Frankfurt
Amtsgericht Frankfurt am Main, Az.: 810 IN 457/23 N**

Dear all,

I was appointed provisional insolvency administrator for the assets of ngena GmbH on April 28, 2023 by the district court in Frankfurt am Main.

The insolvency court has ordered in accordance with the legal requirement that I have to continue the business operations of ngena GmbH in full.

I am therefore currently examining what measures need to be taken to ensure that ngena GmbH can provide its services to the extent it has been used to. In particular I am coordinating the payment of outstanding salaries to employees with the responsible authority (Federal Employment Agency) so that the employees can continue to work for ngena GmbH.

If there are concrete measures in the operational business that you need to be taken, then please inform the managing directors, Dr. Marcus Hacke and Bart de Graaff via email as concrete as possible. They are in close contact with me and will present me specific measures to be taken for appropriate approval.

If any questions occur, please do not hesitate to contact me.
